

NEERIM DISTRICT
HEALTH SERVICE

ENDOSCOPY SERVICE AVAILABLE **FOR YOUR PATIENTS**

The Neerim District Health Service has made a significant investment in state of the art endoscopy equipment, and these procedures are now carried out in our modern operating suite and day surgery.

Regular lists are scheduled by our experienced specialist, Dr Brindi Rasaratnum. We currently do not have a waiting list.

To book a procedure your patients simply need a referral and to ring our administration staff on 56281226 during business hours. Please find referral slips enclosed.

Fees:- See Over

29-39 Main Neerim Road, NEERIM SOUTH 3831

NEERIM DISTRICT HEALTH SERVICE

ENDOSCOPY FEES

1. Patients *with* private health insurance.

Privately insured patients would be liable for any excess or co-payment applicable under their health insurance policy. If no such out of pocket costs were payable, the procedure would be fully covered by their health insurance.

2. Patients with a DVA Gold Card.

All costs are fully covered.

3. Patients *without* private health insurance.

These people can still have an endoscopy at Neerim District Health Service but the charges are as follows:

Gastroscopy: \$70 (Hospital charge only)

Colonoscopy \$100 (Hospital charge only)

These charges compare favourably with the levy now being charged at the Warragul endoscopy clinic. *They are not claimable through Medicare.*
