

Help a life

Neerim District Health Service **is seeking your help**

Neerim District Health Service is seeking your help to buy vital equipment to help with the care of our patients and aged care residents. This is your opportunity to buy a specific piece of equipment, to be used in a particular part of the health service.

As a not - for - profit, community based organisation it is often difficult to afford all of the equipment that is needed. We are hoping that through the generosity of the community members and businesses we may be able to buy some of the equipment listed below. Remember that all donations are fully tax deductible.

Item 1

Pressure Relieving Mattress *5 needed \$1300 each*

This mattress provides a cushion of air for frail, bed bound clients to lie on. The air pressure is alternated from side to side on the body, to virtually eliminate the risk of pressure ulcers developing.

Item 2

Bedside Tables *30 needed \$400 each*

A bedside table allows the resident to have a place for personal belongings to be kept close to the bed. Also provides for bedside lighting.

Item 3

Bladder Scanner *1 needed \$18900*

A bladder scanner will assist staff to measure bladder volume using a portable ultrasound instrument to provide quick, accurate and reliable results.

Item 4

Comfort Chairs *2 needed \$3000 each*

These chairs provide a safe comfortable environment for frail, bed bound clients to be moved around, and to spend time away from their rooms.

Item 5

Day Surgery Trolley *1 needed \$7500*

Day surgery at Neerim District Health Service is an expanding services which means that patients spend a minimum amount of time in a stressful environment. Another trolley is needed to cope with increasing demand.
